

Canapés & Mini Buffet Menu

Our Canapés & Mini Buffet menu is designed for a more casual and relaxed style of gathering, where guests are welcome to move freely, mingle, and help themselves throughout the event.

The food is beautifully laid out on tables, allowing for an easy, social flow while still maintaining the quality and presentation you expect from us. This format encourages conversation and flexibility, making it ideal for events where a seated dinner may not be required.

We generally recommend selecting 5–6 canapé items per person to ensure a generous and well-balanced offering.

This menu style is particularly well suited for:

- Celebrations of Life
